

Below you will find links to the information files for our upcoming races. Using the link will allow you to get the latest real time information that may be posted for the race.

We use Whatsapp for both race day communications and general question/communications. You can join the discussion at the following links:

- [Whatsapp Race Day Communicaitons](#): (this will include the start lists for the day, and any up to the minute communications you might need for the day or during the day)
- [Whatsapp group communications for questions and general group discussion](#) (please limit your discussion with this group to Mid-Atlantic Masters ski racing specific discussions)

Helmets: Remember that GS and SG require a FIS approved helmet. If you need a helmet please contact us well in advance to see if we might have one you can borrow.

Licenses: All races listed below require a US Ski & Snowboard License. If you don't have a license, please contact us to see about your options for a short term license, or if available, a complimentary license.
